County supervisors okay DOT's F-518 agreement

ST. STEPHEN HEDGES

The Johnson County Board of Supervisors approved a FommyF 118 agreement Thursday, but members of the board expressed concern about the need for more information from the Iowa City Council. The county and the city agreed to cooperate on project development, engineering, and design. The agreement is subject to the approval of the Iowa City Council. The agreement is a first step in the cooperation on the project development, engineering, and design.
