Honors Week Highlights

Senior Honors Student Jumps Wholeheartedly Into Nursing Profession

Though her mother is a nurse, Pam Becker nerer really considered entering the nursing field. "I never thought of a career in nursing," she says. "We were much more interested in medicine," she adds. "That's why I chose to major in biology." Through her research, Pam began to learn about the medical field, and eventually decided to enter the field of nursing.

Pam Becker is a senior honors student at the University of Iowa. She is majoring in biology and minoring in chemistry. She is also a member of the Society of Nurse Fellows. Pam Becker is the recipient of the Iowa League for Nursing's "Outstanding Nurse Award."
