

Call for Works

The University of Iowa Electronic Music Studios directed by Lawrence Fritts is pleased to announce a call for submissions for a series of electroacoustic music concerts to be held during the 2011-2012 school year at the University of Iowa. The first concert to feature music from this call will be on October 23, 2011.

Deadline for submissions: September 1, 2011 (receipt), programming decisions will be made by September 14, 2011 for the first concert of this series. Decisions for future programming will be announced four weeks before the other concerts.

Eligibility

Any student currently attending a college or university within the United States, graduate or undergraduate, may apply.

Submission Guidelines

Composers and sound artists may submit up to two original works for consideration in the following media.

- 1) 2–8 channel works for fixed media
- 2) Works for video

Accepted formats for consideration are Audio-CD, DVD-Video, and DVD Audio. Do not send Data CDs or Data DVDs. For selection purposes, multi-channel works (up to 8 channels) must be submitted as a stereo mix on audio CD. All submissions should clearly state technical requirements.

Works should be no longer than 10 minutes in duration.

All submissions should include a cover letter with the following information:

- 1) Contact information including email address
- 2) Short biography (no more than 200 words)
- 3) Score if applicable
- 4) Program Notes (no more than 200 words)

Submitted works can only be returned if a self-addressed stamped envelope is enclosed, otherwise they will be archived for future considerations. The University of Iowa Electronic Music Studios is unable to consider works that do not conform to the guidelines listed above.

Composers are encouraged, but not required to attend the performance of their piece if selected.

Send all submissions to:
