

025:250 COMPOSITION: ELECTRONIC MEDIA I

Oct. 23, 1996

Beginning Monday of next week, and for the rest of the semester, you should turn in a word-processed report on the previous week's activities. Indicate which projects you worked on and for how long, as well as the programs and any auxilliary equipment (DAT, Kyma) you used. Describe new techniques that you have discovered and indicate the specific circumstances under which new or unusual crashes or anomolies occured.
